- Wash our hands, use hand sanitiser, use a mask, eat well etc.

## You play a vital part in all we do!

---

- Tell us if things are not right
- Look after each other
- Look after our environment
- Be safe (online, in actions, travel)
- Be a part of 'Student Voice'

3G Artificial Grass Pitch - completed  
Seven new classrooms - completed  
More recreation space - completed

Projects we hope you will see this year:

Demolition of E block and a new 'E block' built  
Extension to C block – classrooms and library

1. **Honesty:** this is where we are, it is no one's fault - we are in it together
2. **Respect:** the restrictions are there to keep everyone safe and it is vital we all follow the expectations
3. **Love:** look after yourself, be aware of how you are feeling, if you are worried then talk to someone or tell an adult if you are worried about someone else
4. **Compassion:** all staff are here to support you - everyone is feeling worried and anxious from time to time and we can't always see a person's true feelings
5. **Self-discipline:** be ready to learn and do your best in lessons to identify your learning needs
6. **Forgiveness:** don't be hard on yourself if you haven't been able to keep up with all the work – today is a new day!
7. **Hope:** your future is waiting, don't lose sight of your dreams and aspirations

ACADEMY

Create, Aspire and Excel  
to 'Live life in all its fullness' (John 10:10)

We give thanks as we start our new academic year.  
Help us to make the most of every chance we have as we start afresh.  
May we show love to one another and to all.  
Help us to forgive others.  
Help us to learn and to work well together.  
Help us to listen when we should and to use the right words when we speak and pick the right time when it is better we do not speak.  
Thank you for looking after us in our community at CHA and within our families.  
At a time when we hear of the dreadful plight of those living without clean water, sufficient food, those without a home and those living without love please help us to understand and appreciate how fortunate we are.

Amen
