There are many ways in which
people show and act
with LOVE...

<https://www.youtube.com/watch?v=A4a66aFaIME>

Watch this clip and think about how
you can notice others today and
show compassion

Do you have to like someone to show them love?

Do you have to be able to empathise with someone to show them love?

In what ways can you help to ease someone's suffering?

What can drive you to show love to others?

Would the world be different if people didn't show love?

How could love change YOUR own world?

1. Listen – without judgement
2. Complain without accusing -
3. Keep your promise – don't let people down
4. Answer without arguing – not so easy sometimes!
5. Share without expectations – show kindness
6. Make people feel important – show people you like them
7. Be accepting of people's differences – support others
8. Be tolerant – you don't have to say what you are thinking

A World Without love...

**What would a
world without
love look like?**

**How could
LOVE turn a
negative situation
into a positive
one?**

Sixth Form Corner

Socrates states that, **“Love is the consciousness of a need for a good not yet acquired or possessed.”**

Platonic love, as devised by Plato, **concerns rising through levels of closeness to wisdom and true beauty, from carnal attraction to individual bodies to attraction to souls, and eventually, union with the truth**
In pairs discuss what these two statements mean.

A quiet moment of prayer or reflection...

A prayer for all of us

***Here in our school
Let us be peaceful at all times.
Let our rooms be full of happiness
and respect for each other.
Let love be in our hearts
With kindness and LOVE for all.
Let us remember
In learning together,
We grow together
And succeed together.***
