# *What is **pride**?*

- Pride is an entire month dedicated to the celebration of LGBTQ people, raising awareness of homophobia and reflecting on the progress made towards equality and acceptance.
- This includes parades, protests, drag performances, live theatre and memorials to those who lost their lives during the AIDS crisis.
- It is currently celebrated each year in the month of June to honour the Stonewall Uprising in 1969.
- Pride is still important because LGBTQ people face discrimination every day and it is all our responsibilities to show solidarity and tackle homophobia by calling out malicious behaviour.

## ***Where it all began***

The Stonewall Riots began on the 28th June 1969 when NYC police raided the Stonewall Inn.

This sparked a riot among queer people against police brutality, leading to six days of protests and violent clashes with law enforcement.

The Stonewall Uprising was a tipping point for the LGBTQ movement in the West and we owe this to the lesbians and trans women of colour such as Marsha P Johnson, Stormé DeLarverie and Sylvia Rivera who started the revolution.

## *Pride in other ways*

We can apply the values of Pride to other aspects of our lives and always encourage being your true self.

As a part of the Chiltern Hills Academy community, we should all strive to be proud of our school, of each other and, most importantly, ourselves!

If we incorporate the 7 CHA values into our everyday lives, the world will become a better place for the people around us.

**Compassion** **Honesty** **Love** **Self-discipline** **Hope** **Forgiveness** **Respect**

# *Pride Within CHA*

Our uniform unites us and so we must wear it around school with pride and be proud of the community we have around us  
We should strive to achieve our goals and to be the best versions of ourselves

# Prayer for Pride

Creator of all queer and wonderful things,  
You've made and you make and remake us.

Gather us in harmony – not a false unity but a  
selfless and brave co-existence.

Give us hungry spirits to hear the diverse melodies  
of our kin, to recognize the infinite shades of our  
existence in and because of you.

We are proud of who we are because of who you are –  
because who you are is refracted through us,  
because who we are is a part of your body.

Pride – not the sin but the reclamation, the  
reconciliation, the redemption: let that be our cloak  
and your love our greatest treasure.

***HAPPY PRIDE***
