

OVERSEAS TRAVEL AND PERSONAL ACCIDENT INSURANCE FOR SCHOOLS

SUMMARY OF MAIN FEATURES

Arranging the correct insurance should form part of the usual risk assessment process for school trips and activities. Overseas travel and personal accident insurance provides the essential insurance coverage to protect pupils and staff at school and whilst travelling outside the UK.

INSURANCE THAT IS EASY TO ARRANGE

Overseas travel and personal accident insurance has been designed with simplicity and value for money in mind. By arranging an annual insurance policy to cover overseas school trips and activities, schools can enjoy peace of mind knowing that should the worst happen, help is at hand. There is no need to make separate insurance arrangements each time an overseas trip is taken.

COMPREHENSIVE INSURANCE COVER

The unique risks presented by schools and their activities have been carefully considered within the cover. For example, why should pupils and staff only receive the benefit of personal accident insurance whilst on overseas school trips? The overseas travel and personal accident insurance provides personal accident protection not only on school trips but whilst at school including the journey to and from school.

All pupils enrolled at the school, teachers, and adult helpers are covered when undertaking any school activity on the school premises or any overseas school organised trip. Overseas winter sports trips are automatically included within the annual premium.
