

Year 11 Subject Information for Next Set of Mock Examinations

Subject	Paper Information	What specialised equipment will the student need for their mock exam?	Are there any online resources, websites, links to quizzes etc that they could benefit from using?	Messages from Staff
Dance		N.A	The six resource packs I have given out, links to the works which are on SMHW.	You all did well in your last written mock considering this was the first time you had completed a GCSE dance paper. Revise all of the terminology and practise 6 and 12 mark responses, especially when talking about yourself. Remember for Section A and B think about those questions as if I was asking you the questions- how did you improve and what did you actually do?
Drama	Component 3- responding to a brief practical		N/A	You are all talented and have come on such a long way since Year 9.

Maths	<p>11x/Ma3 and 11y/Ma3 will be tested on Foundation paper</p> <p>Other groups will be sitting Higher</p>	<p>Pencil Ruler Protractor Compass Scientific Calculator Tracing paper (given)</p>	<p>Kerboodle, mymaths, BBC bitesize, Suffolk Maths (St. Albans School) revision website, Maths Genie, Bland Maths, dawsonmaths</p>	<p>Start early using a “little and often” approach Revise strategically – ensure you have a list of the topics Past papers, past papers, past papers! Timings – also when you are working on past papers Revision sessions – I highly recommend taking advantage of any opportunities you have in school Variety – mix up your revision, adding in different activities Use your lesson time wisely.</p>
Child Development	<p>RO18 Health and well-being for child development</p>	<p>N/A</p>	<p>Use the revision tools on SMHW</p>	<p>You have done amazing so far this academic year. Keep focused and keep going!</p>
Art and Photography	<p>Creation/completion of final outcome/s related to their Component 1</p>	<p>Department will supply the basic art/photography materials. If students require any specific equipment they will need to supply it themselves. Students will have access to their preparation work (sketches, tests, sketchbooks etc.)</p>	<p>Students are required to complete all the work set and as it is practical preparation they need to practice/test their final idea beforehand (this is normally on a smaller scale)</p>	<p>Our Y11 Art and Photography students have great potential, one of the greatest we've had. Stay enthusiastic and keep doing what is the most natural for a human being; create.</p>

OCR Engineering Design - R105		None	BBC bitesize - OCR Design and Technology and the revision guide they already have	
Computer Science / BTEC Digital Information Technology	Computer Science - Paper 2 BTEC Digital Information Technology - Component 3 - Effective Digital Working Practices	None	TEAMs / OneNote Notes, Past papers Teach-ICT	Revise well. You have done well so far. Keep it up.
Spanish	AQA GCSE Spanish (Higher) Paper 1 (Listening); Paper 3 (Reading) and Paper 4 (Writing) AQA GCSE Spanish (Foundation) Paper 1 (Listening); Paper 3 (Reading) and Paper 4 (Writing).	None, but will need to be able to access listening files (if at home). Not a problem at school.	Teachvid website for listening activities; Kerboodle for listening/reading practice; Quizlet vocabulary lists; AQA GCSE Grammar and Translation workbook to check grammar points.	Hello, lovely year 11s! You are a wonderful cohort and deserve to do well in your mocks. Your attitude to learning is fabulous, during what is a very difficult time for you. You can get through this and you know it! We're here for you - all the way :) ¡Buena Suerte!

English	Macbeth for Section A Unseen Poetry for Section B	N/A	https://www.bbc.co.uk/teach/class-clips-video/english-literature--drama-gcse-macbeth-about-the-2011-rsc-production/z4wv2sg	You know it - you can do it!
French	N/A		Quizlet, Teachvid, BBC GCSE bitesize	Revise vocabulary from all units 1-12 on Quizlet. Do your best.
Combined Science	Biology Paper 2 - Biology topics 5–7: Homeostasis and response; Inheritance, variation and evolution; and Ecology. Chemistry Paper 2- Chemistry topics 13–17: The rate and extent of chemical change; Organic chemistry; Chemical analysis; Chemistry of the atmosphere; and Using resources.
