2. Introduction

Chiltern Hills Academy is a learning environment at the heart of its community. We encourage every person in our community to:

Create, Aspire and Excel to 'Live life in all its fullness' (John 10:10)

We achieve this through our dedication to the seven Christian values of love, hope, self-discipline, compassion, forgiveness, respect and honesty.

We are a community in which staff, students and parents work collaboratively to develop a learning environment and organisation which is spiritual, safe, innovative, creative and exciting. All members of the Academy are motivated and inspired by the vision to give their best and to play a full part in the life of the school and in their own developing lives.

The Governors at Chiltern Hills Academy are committed to achieving the vision and values. They oversee and monitor this policy to ensure that this is being achieved.

At Chiltern Hills Academy we believe that a policy on safeguarding is founded on the rights of all children and people to be safe and feel safe, and that it is the fundamental obligation on all schools to robustly secure this right.

This aim of this policy is to provide staff, governors and volunteers with the framework they need to keep children in Chiltern Hills Academy safe and secure and to provide parents and carers with the information about how we will safeguard their children whilst in our care.

This policy has been developed in accordance with the principles established by the **Children Acts 1989 and 2004**; and in line with the following:

- "Working Together to Safeguard Children 2018" - July 2018 Working Together To Safeguard Children July 2018

- "Keeping Children Safe in Education"- statutory guidance for schools and further education colleges - Sept 2020

- Information Sharing Guidance for Safeguarding Practitioners Information Sharing Guidance – DfE July 2018

- Children Missing Education; Statutory Guidance for Local Authorities - Sept 2016 Children missing education - GOV.UK

- Statutory Guidance issued under section 29 of the Counter-Terrorism and Security Act - 2015 Prevent Duty Guidance

- Sexual Violence and Sexual Harassment between Children in Schools and Colleges – May 2018 Sexual Violence and Sexual Harassment between Children in Schools and Colleges

- The Equality Act - 2010 Equality Act 2010: guidance - GOV.UK

- The United Nations Convention on the Rights of the Child (UNCRC) United Nations Convention on the Rights of the Child

- What to do if you're worried a child is being abused - March 2015 What to do if you are worried a child is being abused

2.2. We believe clear governance and leadership is central to embedding a safeguarding culture. The Governing Board takes its responsibility seriously under **section 175 of the Education Act 2002** to safeguard and promote the welfare of children; working together with other agencies to ensure adequate arrangements are in place within our school to identify, assess, and support those children who are suffering harm or whose welfare may be in question. Governors will ensure all staff at the Academy have read and understood their responsibilities pertaining to **Part 1, Part 5 and**

Annexe A of Keeping Children Safe in Education, Sept 2020. They must ensure that there is an auditable system in place to evidence this.

2.3. All staff are required to read and adhere to the **Staff Conduct & Discipline policy** which governs behaviours expected of them, as well as having an understanding of the **Behaviour for Learning policy** for children and our **Attendance (Student) policy**.

2.4. We recognise all staff and Governors have a full and active part to play in protecting our students from harm, actively promoting their welfare and ensuring that every child's welfare is our paramount concern. Each member of staff is responsible for contributing to a positive culture of safeguarding in Chiltern Hills Academy.

2.5. All staff believe our school must provide a safe, caring, positive and stimulating environment that promotes the social, physical and moral development of individual children.

2.6. The Academy recognises that as well as threats to the welfare of children from within their families, children may be vulnerable to abuse or exploitation outside their homes and from other children. Staff must remain vigilant and alert to these potential risks. Where children's behaviour has posed a risk to their peers and are sexually abusive in nature, an investigation will be conducted. Advice and support will be sought from external agencies and, as appropriate, a risk management plan will be implemented to manage the risk to others.

2.7. The aims of this policy are:

2.7.1. To support students' development in ways that will foster security, confidence and resilience, free from discrimination.

2.7.2. To provide an environment in which children feel safe, secure, valued and respected.

2.7.3. Children feel confident that they know how to approach adults if they are in difficulties.

2.7.4. To ensure all teaching staff, non-teaching staff and volunteers:

● are aware of the need to safeguard and promote the wellbeing of children

● identify the need for support early to promote well-being

● promptly report cases of actual or suspected abuse, in line with guidance from the Buckinghamshire Threshold Document

● are trained to recognise signs and indicators of potential abuse

2.7.5. To provide a systematic means of monitoring children known to be or thought to be at risk of harm and ensure contribution to assessments of need and support plans for those children.

2.7.6. To acknowledge the need for effective and appropriate communication, ensuring staff know how and when to share information to protect children in a way that is legal, ethical and timely.

2.7.7. To ensure Chiltern Hills Academy has a clear system for communicating concerns and a model for open communication between children, teachers, parents/carers and other adults working with children.

2.7.8. To have a clearly understood structured procedure within the Academy which will, in cases of suspected abuse, be promptly followed by all members of the school community.

2.7.9. To ensure the Academy has robust systems in place to accurately record safeguarding and child protection concerns, which are clearly understood by staff and adhered to. Actions taken to address concerns and outcomes achieved are dealt with in a timely manner, clearly and accurately recorded. These records are securely stored.

2.7.10. To develop effective working relationships with all other agencies involved in safeguarding, supporting the needs of children at our school.

2.7.11. To ensure that all staff appointed have been through the safer recruitment process and understand the principles of safer working practices as set out in our **Staff Code of Conduct**, which stipulates their duty to report where behaviours of colleagues may have stepped outside of agreed safe practices. All staff must work to develop a positive culture of safeguarding in our school.

2.7.12. To provide clarity to other community users of our facilities with regard to our expectations of how they should maintain a safe environment, which supports children's welfare and development. We reserve the right to decline access to use the Academy facilities where we believe their ethos or practice is not aligned with this policy.

2.7.13. This policy is published on our website, (About Us/Policies) and hard copies are available from the Principal's PA.

3. Responsibilities

3.1. All staff, visitors and volunteers understand safeguarding children is **everyone's responsibility** and that they must be diligent to help secure children's safety and wellbeing**.** Any person who receives a disclosure of abuse, an allegation or suspects that abuse may have occurred will report it immediately to Mrs Conway (Designated

Safeguarding Lead; DSL) or, in their absence, to Mrs Gaynor Fulton Willis or Ms Jill Astles (Deputy DSLs). In the absence of any of the above, concerns will be brought to the attention of the most senior member of staff on site. Staff understand that if there is an immediate risk of harm then the police or First Response will be called directly and the DSL will be updated at the earliest opportunity (see the referral procedure in sections 4 and 7, and Allegations Against Staff in Section 9).

3.2. Staff must maintain a good working knowledge of the [Buckinghamshire Threshold Document](#) and any updates, how it can be used to safeguard and promote the wellbeing of students and how it should be used to inform decision making regarding a referral to First Response as soon as there is a significant concern.

3.3. Staff understand that the most common reason for children becoming looked after is as a result of abuse and/or neglect and that previously looked after children remain vulnerable. Staff have the skills, knowledge and understanding to keep both looked after children and previously looked after children safe.

3.4. Staff understand increased vulnerability and that barriers exist when recognising abuse and neglect for children with Special Educational Needs or Disabilities.

3.5. The Governing Board understands and fulfils its safeguarding responsibilities. It must:

3.5.1. Ensure that the Principal and (when not the Principal) the DSL create and maintain a strong, positive culture of safeguarding within the Academy.

3.5.2. Ensure that this policy reflects the unique features of the community we serve and the needs of the students attending our provision (see Section 4). This will be reviewed at least annually in line with changes to guidance and legislation.

3.5.3. Regularly monitor and evaluate the effectiveness of this Safeguarding Policy and be satisfied that it is being complied with.

3.5.4. Appoint a Designated Safeguarding Lead (DSL), who is a member of the Senior Leadership Team (SLT) and has the required level of authority, and also appoint at least one Deputy DSL. The Principal has overall responsibility for safeguarding within the Academy; they can be the DSL or can delegate that work to a member of the SLT. The SLT must report to the Principal on a regular basis. The roles and responsibilities of the DSL and Deputy DSL are made explicit in those post-holders' job descriptions.

3.5.5. Recognise the importance of the role of the DSL, ensuring they have sufficient time, training, skills and resources to be effective. Refresher training must be attended every 2 years, in addition knowledge and skills must be refreshed at regular intervals, at least annually.

3.5.6. Ensure measures are in place for the Governing Board to have oversight of how the Academy's delivery against its safeguarding responsibilities are exercised and evidenced. Ensure robust structures are in place to challenge the Principal where there are any identified gaps in practice or procedures are not followed.

3.5.7. Recognise the vital contribution that the Academy can make in helping children to keep safe, through incorporation of safeguarding within the curriculum. This will also be taught through the Life Skills curriculum and relevant issues through the Relationship & Sex Education (secondary schools, mandatory from Sept. 2020). Ensure that, through curriculum content and delivery, children in the Academy understand, at age and stage appropriate levels, safeguarding and how to keep themselves safe in a contextually appropriate way.

3.5.8. Ensure safe and effective recruitment policies and disciplinary procedures are in place, which adhere to **Keeping Children Safe in Education, September 2020** and legislation referred to therein.

3.5.9. Ensure resources are allocated, as a priority, to meet the needs of students requiring child protection or early intervention.

3.5.10. Ensure the DSL completes an Annual Safeguarding Report for Governors, demonstrating how we are meeting our statutory responsibilities for safeguarding and promoting the welfare of children. Ensure a copy of this report is shared with the Education Safeguarding Advisory Service within the specified time frame.

3.6. It is the duty of the Chair of Governors (Mr Andrew Brown) to liaise with relevant agencies if any allegations are made against the Principal. If there are concerns that issues are not being progressed in an expedient manner, staff/students/parents/carers should escalate concerns to the Local Authority Designated Officer (LADO) via First Response.

3.7. The Governing Board must ensure that a named teacher is designated for Children Looked After and that an up to date list of children who are subject to a Care Order or are accommodated by the County Council is regularly reviewed and updated. The Academy must work with the Virtual Schools Team to support the educational attainment for those children who are Looked After.

3.8. The Governing Board has a statutory duty to appoint a Nominated Governor for Safeguarding. The Nominated Governor must be familiar with Buckinghamshire Safeguarding Children Partnership procedures, Local Authority procedures and guidance issued by the Department for Education. The Nominated Governor must:

3.8.1. Work with the DSL to produce the Safeguarding Policy annually.

3.8.2. Undertake appropriate safeguarding training, to include Prevent Training.

3.8.3. Ensure safeguarding is, as a minimum, an annual agenda item for the Governing Board.

3.8.4. Meet at least termly with the DSL to review and monitor the Academy's delivery on its safeguarding responsibilities and to review the Single Central Record.

3.9. All governors must complete safeguarding training on appointment, to also include Prevent training.

3.10. Overall responsibility for the safeguarding of students remains with the Principal, although tasks may be delegated to other members of the team, including the nominated DSL if appropriate. We have a Designated Safeguarding Lead (DSL) who is responsible for:

3.10.1. Creating a culture of safeguarding within the Academy, where children are protected from harm. Ensuring all staff receive an appropriate level of induction and training to support them to be professionally curious and vigilant in order to question behaviours and challenge perceptions if they have concerns for a student.

3.10.2. Ensuring children receive the right help at the right time using the Buckinghamshire Threshold Document to inform plans for support or protection (see Appendix for definitions of the categories of abuse).

3.10.3. Ensuring referrals to partner agencies are followed up in writing, within 24 hrs of initial contact, including referrals to First Response.

3.10.4. Establishing and embedding a policy and process for recording and storing information about safeguarding concerns and outcomes achieved, enabling records to be reviewed and an overview gained, in order to support timely interventions and allow prompt follow up. This includes use of the Escalation Process found on the BSCP website.

3.10.5. Ensuring safeguarding records, legislation and guidance are up to date and are maintained in accordance with data protection. Ensuring records are stored safely and securely and remain confidential. That:

- the DSL must share information, both internally and externally, on a 'need to know' basis only, being able to justify the reason for sharing and in accordance with the confidentiality policy.

- all safeguarding files are held separately from student educational records.

3.10.6. Maintaining the record of staff safeguarding training. Ensuring that Chiltern Hills Academy most up to date **Safeguarding Policy** is widely available (this may be on the website), publishing the **Safeguarding**

Statement and other relevant information on the Academy website. Ensuring that the safeguarding team contact details and photos are displayed in prominent areas around the Academy and also on the website.

3.10.7. Being the designated point of contact for staff to be able to discuss and share their concerns, developing a culture whereby staff feel comfortable to do so. In their absence the DSL will ensure the Deputy DSL, or most senior member of staff, is available (The DSL and the Deputy are both trained to the same level within our Academy).

3.10.8. Being available to staff and outside agencies during school hours and term time for consultation on safeguarding concerns raised. Having responsibility to ensure that cover is arranged outside of term-time during working hours.

3.10.9. During residential and extended school hours, ensuring arrangements are in place for staff to have a point of contact.

3.10.10. Contributing effectively to multiagency working, for the safeguarding and promotion of the welfare of children, this could include:

- participating in Strategy discussions;

- attending Safeguarding Case Conferences;

- submitting reports to the conference, which must be shared in advance with the parents/carers;

- contributing effectively and taking shared responsibility for core group meetings with all other agencies involved;

- engaging fully, as requested, in any other multi-agency planning meetings;

- contributing to the Framework for Assessments process;

- ensuring coverage is available at all times during the year

3.10.11. Providing the Principal (if the Principal is not the DSL), with an annual report for the Governing Board, detailing how the Academy delivers on its safeguarding responsibilities and any safeguarding issues within the Academy. The Governing Board will use this report to fulfil its responsibility to provide the Local Authority with information about their safeguarding policies and procedures.

3.10.14. Referring immediately to the Police any cases where a criminal offence may have been committed or risk of harm is imminent.

4. Procedures

Our school procedures for all staff, volunteers and visitors in safeguarding and protecting children from harm are in line with Buckinghamshire County Council and Buckinghamshire Safeguarding Children Partnership safeguarding procedures, **"Working Together to Safeguard Children 2018", "Keeping Children Safe in Education" 2020** and statutory guidance issued under section 29 of the **Counter-Terrorism and Security Act 2015**.

Chiltern Hills Academy is a Church of England Academy, sponsored by the Diocese of Oxford.   At the Academy, we have many students from different ethnic minorities. There is a range of support for those students where there is a language barrier or an emerging cultural issue. We employ an Ethnic Minority worker to work alongside the student and family to address any needs whilst ensuring that safeguarding takes precedence. In addition, there is specific support for any language needs provided by our Learning Support Department.

We will ensure:

4.1 We have a designated member of the Senior Leadership Team who has undertaken appropriate training for the role, as recommended by the BSCP. Our Designated Safeguarding Lead (DSL) will be required to update their training in accordance with the Learning Pathway agreed by the BSCP.

4.2 We have member(s) of staff (Deputy Safeguarding Leads) who will act in the DSL's absence and who have also received training for the role of DSL. In the absence of an appropriately trained member of staff, the most senior member of staff on site will assume this role.

4.3 All adults (including supply teachers and volunteers) new to our school are made aware of the Academy's policy and procedures for safeguarding, the name and contact details of the DSL, their role and responsibilities under **"Keeping Children Safe in Education 2020"** and the booklet **"What to do if You're Worried a Child is Being Abused"**. They will have these explained, as part of their induction into the Academy.

4.4 Visitors must be :

4.4.4 Given a safeguarding leaflet to read.

4.4.5 Given restricted access to only specific areas of the Academy, as appropriate.

4.4.6 Escorted by a member of staff/representative as required.

4.4.7 Given access to students restricted to the purpose of their visit.

4.5 All members of staff must complete regular safeguarding training, attend regular refresher training and partake in any training opportunities arranged or delivered by the DSL. Updates must be cascaded to all staff throughout the year, at a minimum of once a year.[1]

4.6 All parents/carers must be made aware of the Academy's responsibilities in regard to safeguarding procedures through this policy, which is available on our website. Hard copies are also available from the Principal's PA.

4.7 All staff must follow the reporting procedures as follows when reporting any safeguarding concerns:

4.7.1 Staff must ensure the child is in a safe place and in receipt of support;

4.7.2 Staff must use CPOMS to record their safeguarding/child protection concern;

4.7.3 All safeguarding concerns are recorded on CPOMS. Our safeguarding team will then take the most appropriate action and record details on CPOMS. Once logged on this system the safeguarding concern will be prioritised and actioned. All actions are recorded using CPOMS software.

The following information is required when recording a concern on CPOMS:

4.7.3.1 Staff must ensure the time and date of the incident is recorded;

4.7.3.2 A factual account of the incident must be recorded, including who was involved, what was said/seen/heard, where the incident took place and any actual words or phrases used by the child;

---

[1] "Keeping Children Safe in Education 2019" states that staff should receive regular training. Buckinghamshire County Council advises that this takes place no longer than 3 years in between refresher training.

4.7.3.3   Use a body map to record any injuries seen or reported by the child:

4.7.3.4   Any linked students will be recorded

4.8   Through our **Attendance Policy**, we have a robust system for monitoring attendance and will act to address absenteeism with parents/carers and students promptly and identify any safeguarding issues arising. Absence can only be authorised by the school and cannot be authorised by parents. All absences will be treated as unauthorised unless a satisfactory explanation for the student's absence has been received.

4.9   Parents should advise the school by telephone, text or email on the first day of absence and provide the school with an expected date of return. This should be followed up in the form of a written note from the parent/carer, though verbal explanations may be acceptable where this is considered appropriate. A note for the academic tutor may instead be written in the Student's Planner. If students arrive after 8.40am on Monday, Wednesday, Thursday and Friday, or after 9.25am on Tuesday, they must immediately report to the Student Services office to sign in. This ensures that we can be responsible for their health, safety and welfare whilst they are in school. If a student does not do this, first day absence calling will take place.

4.10   All children attending our school are required to have a minimum of two identified emergency contacts.

4.11   Any student absent for ten school days, where it has not been possible to make contact with a parent/carer, will be reported as a Child Missing in Education (CME) using the **Buckinghamshire CME Protocol**.

4.12   Any absence, without satisfactory explanation, of a student currently subject to a child protection or child in need plan is immediately referred to their social worker.

4.13   Parents/carers must inform the Academy if there are any changes to a student's living arrangement. Chiltern Hills Academy has a mandatory duty to inform the local authority, via the First Response Team, if a child under the age of 16 years old lives with someone other than their parent, step-parent, aunt, uncle or grandparent for a period of more than 28 days. This is defined as being a private fostering arrangement.

4.14   All staff, parents/carers and children are made aware of the Academy's escalation process, as the policy outlines the process and procedures should attendance fall below 90%. Academic Year Leaders and Academy Attendance Officer will monitor year group attendance. AYLs will regularly receive Attendance Data for all those students in their year group with under 90% attendance. Depending upon reasons for absence the AYL will continue to monitor or contact parents.

4.15 Weekly, the Academy Attendance Officer will publish the previous week's attendance on the Student/Staff Bulletin. This student data will be used to trigger school action as set out in the escalation of intervention (appendix 1 in Attendance (Student) Policy) which can be activated in the event of concerns not being resolved after the first point of contact. We acknowledge an individual's safeguarding responsibility does not end once they have informed the DSL of any concerns, although specific details of further actions may be appropriately withheld by the DSL as information will only be shared on a need to know basis.

4.16 Our lettings policy reflects the ongoing responsibility the Academy has for safeguarding those using the site outside of normal school hours, ensuring the suitability of adults working with children on school sites at any time. The Academy must have sight of the up to date **Safeguarding Policy** of any organisation hiring the school's facilities.

4.17 The Academy operates **Safer Recruitment** practices, including ascertaining the suitability of volunteers and employed staff, both employed directly or via an agency, who are working in regulated activities.

4.18 Allegations against members of staff, including volunteers, are referred to the Local Authority Designated Officer (LADO).

4.19 Our procedures are reviewed and updated annually as a minimum, or as there are changes to legislation.

5. Retention of Records

5.1 When a disclosure of abuse or an allegation against a member of staff or volunteer has been made, our school must have a record of this. These records are maintained in a way that is confidential and secure, in accordance with our **Record Keeping Policy** and **Data Protection Legislation.**

5.2 There is a statutory requirement for our school to pass any safeguarding records to the student's next school. We are required to have an auditable system in place to evidence we have done so. Any transfer of records will be carried out using a secure method and will be sent separately to the student's general file.

5.3 The last statutory school maintains safeguarding files until a student reaches the age of 25 years, therefore if the transfer school is unknown, or a student is going to be electively home educated, any safeguarding files will remain at our school in a secure location. Safeguarding files will only be destroyed when the student reaches their 25th birthday.

5.4 We have a robust system for reviewing our archived information held. Our files are stored and disposed of in line with GDPR protocols.

6. Confidentiality

6.1 We recognise that all matters relating to safeguarding are confidential.

6.2 The Principal or Designated Safeguarding Lead must only disclose personal information about a student to other members of staff on a need to know basis.

6.3 Staff must not keep duplicate or personal records of safeguarding concerns. All information must be reported to the Designated Safeguarding Lead and securely stored in the designated location within the Academy, separate from the student records.

6.4 All staff are aware they cannot promise a child to keep secrets which might compromise the child's safety or well-being or that of another as they have a duty to share. Staff must, however, reassure the child that information will only be shared with those people who will be able to help them and therefore need to know.

6.5 We will always undertake to share our intention to refer a child to Social Care (First Response) with their parent/carer's consent, unless to do so could put the child at greater risk of harm or impede a criminal investigation. If in doubt, we will consult with First Response on this point. We recognise that GDPR must not be a barrier for sharing information regarding safeguarding concerns.

7. Dealing with a disclosure

In the event of a child disclosing abuse staff must:

7.1 Listen to the child, allowing the child to tell what has happen in their own way, and at their own pace. Staff must not interrupt a child who is freely recalling significant events.

7.2 Remain calm. Be reassuring and supportive, endeavouring to not respond emotionally.

7.3 Not ask leading questions. Staff are reminded to ask questions only when seeking clarification about something the child may have said or to gain sufficient information to know that this is a safeguarding concern. Staff are trained to use TED; Tell, Explain, Describe.

7.4 Make an accurate record of what they have seen/heard using the school's record keeping processes, recording; times, dates or locations mentioned, using as many words and expressions used by the child, as possible. Staff must not substitute anatomically correct names for body part names used by the child.

7.5 Reassure the child that they did the right thing in telling someone.

7.6 Explain to the child what will happen next and the need for the information to be shared with the DSL.

7.7 Record all relevant information on CPOMS.

7.8 Not record the conversation on any personal devices.

7.9 **If not on the school site and there is immediate risk of harm to a child, staff will NOT DELAY and will phone 999.**

7.10 Ensure the child is monitored/accompanied at all times following a disclosure, until a plan is agreed as to how best they can be safeguarded.

7.11 Following a report of concerns the DSL must:

7.11.1 Decide whether there are sufficient grounds for suspecting significant harm, in which case a referral must be made to First Response and the police if it is appropriate. The rationale for this decision should be recorded by the DSL.

7.11.2 Normally the Academy should try to discuss any concerns about a child's welfare with parents/carers and, where possible, obtain consent before making a referral to First Response. However, in accordance with DfE guidance, this should only be done when it will not place the child at increased risk or could impact a police investigation. Where there are doubts or reservations about involving the child's family, the DSL should clarify with First Response or the police whether the parents/carers should be told about the referral and, if so, when and by whom. This is important in cases where the police may need to conduct a criminal investigation. The child's views should also be taken into account.

7.11.3 If there are grounds to suspect a child is suffering or is likely to suffer significant harm, the DSL (or Deputy) must contact First Response by telephone in first instance and then completing the Multi Agency Referral Form (MARF) making a clear statement of:

● the known facts

● any suspicions or allegations

● whether or not there has been any contact with the child's family

7.11.4 If the child is in immediate danger and urgent protective action is required, the police must be called. The DSL must then notify First Response of the occurrence and what action has been taken.

7.11.5 If a child needs urgent medical attention, the DSL (or Deputy) should call an ambulance via 999. DSL to contact First Response; advice to be sought from First Response about informing parents/carers.

8. Supporting Staff

8.1 We recognise that staff becoming involved with a child who has suffered harm, or appears to be likely to suffer harm, could find the situation stressful and upsetting.

8.2 We will support such staff by providing an opportunity to talk through their anxieties with the DSL and to seek further support if necessary. This could be provided by the Principal or another trusted colleague, Occupational Health, and/or a representative of a professional body, Employee Assistance Programme (PAM) or trade union, as appropriate.

8.3 In consultation with all staff, we have adopted a **Staff Conduct & Discipline policy** for staff working in our school. This forms part of staff induction and is in the Key Documents & Policies area of the Learning Platform. All staff know how to access the **Staff Conduct & Discipline policy** to refer to it.

8.4 All staff are required to sign that they have read, understood and agree to comply with the agreed standards of practice set out in the **Staff Conduct & Discipline policy.**

9. Allegations against staff and volunteers (including Governors)

9.1 All school staff and volunteers must take care not to place themselves in a vulnerable position with a child. It is always advisable for interviews or work with individual children or parents/carers to be conducted in view of other adults (See also section 7 above). There must be no one-to-one contact between staff and students which is not "open to the casual observer". Please refer to the Lone Working section of our policy, Safe Working Practice, (Staff & Students) Appendix III.

9.2 We understand that a student may make an allegation against a member of staff or volunteer. If such an allegation is made, the member of staff notified of the allegation will immediately inform the Principal or the most senior teacher if the Principal is not present.

9.3 The Principal/Vice Principal on all such occasions must immediately discuss the content of the allegation with the Local Authority Designated Officer (LADO). The purpose of an initial discussion is for the LADO and the Case Manager to consider the nature, content and context of the allegation and agree a course of action.

9.4 The Principal/Vice Principal must:

_____

9.4.1 Follow all advice given by the LADO throughout the investigation process, including how to manage the staff member or volunteer against whom the allegation is made, as well as supporting other staff and volunteers within the workplace.

9.4.2 Follow all advice given by the LADO relating to supporting the child making the allegation, as well as other children connected to the organisation.

9.4.3 Ensure feedback is provided to the LADO about the outcome of any internal investigations.

9.5 If the allegation made to a member of staff concerns the Principal, the person receiving the allegation will immediately inform the Chair of Governors who will consult the LADO without notifying the Principal first.

9.6 The Academy will follow the local safeguarding procedures for managing allegations against staff and volunteers in the Allegations against Staff policy, a copy of which can be found in the Key Documents & Policies area of the Learning Platform.

9.7 Suspension of the member of staff against whom an allegation has been made needs careful consideration and, if necessary, we will consult with the LADO in making this decision. Guidance will also be sought from HR.

9.8 If a suspension is made, restrictions will apply to all staff and volunteers regarding contact with them whilst they are suspended, including contact via social media, such as Facebook and Twitter.

9.9 Our lettings agreement for other users requires that the organiser will follow the Buckinghamshire County Council procedures for managing allegations against staff and where necessary, the suspension of adults from school premises.

9.10 Should an individual staff member, governor or volunteer be involved in safeguarding, other safeguarding procedures or Police investigations in relation to abuse or neglect, they must immediately inform the Principal. In these circumstances, the Academy will need to assess whether there is any potential for risk of transfer to the workplace and the individual's own work with children.

10. Whistleblowing

10.1 We have a **Whistleblowing Policy** which can be found in the Key Documents & Policies area of the Learning Platform. Staff are required to familiarise themselves with this document during their induction period.

10.2 All staff must be aware of their duty to raise concerns about the attitude or actions of colleagues and report their concerns to the Principal or Chair of Governors.

11. Physical intervention/Positive handling

11.1   Our policy on physical intervention/positive handling by staff is set out separately, as part of our **Safe Working Practice policy,** Section 15.

12. Anti-Bullying

12.1   Anti-Bullying is referenced within the **Equality & Diversity (Staff & Students) policy** in the Key Documents & Policies area of the Learning Platform which details the measures in place to prevent and respond to all forms of bullying, which acknowledges that to allow or condone bullying may lead to consideration under safeguarding procedures.

13. Discriminatory Incidents

13.1   In line with the **Equalities Act 2010**, our **Equality & Diversity, (Staff & Students) policy** addresses all forms of discriminatory incidents. It takes into account the guidance offered by the Buckinghamshire guidance document 'Equally Safe – Dealing with Prejudice Related Incidents Guidance for Schools' (revised September 2019).

14. Health and Safety

14.1   We recognise the importance of safeguarding students throughout the school day. Our **Health & Safety policy** reflects the consideration we give to the protection of our children, both physically and emotionally, within the school environment.

14.2   Students who leave the site during the school day do so only with the written permission of a parent/carer and are collected by an authorised adult where appropriate. Academy should be notified by the parents/carers regarding whom they have authorised for this task. Students will provide a written note from parents/carers and complete an Exeat form detailing the appointment time and reason. The form will need to be signed by their Academic Year Leader or Vice Principal in their absence prior to signing out of school.

14.3   In the event of a student going missing during the course of the school day we will carry out immediate checks to ensure the student is not on site, we will then make contact with the student's parents/carers and inform the police if thought necessary.

15. Prevent Duty

15.1   We are aware of the Prevent Duty under **Section 26 of the Counter Terrorism and Security Act 2015** to protect young people from being drawn into terrorism. This is

as a safeguarding matter like any other and these processes will be applied to support children and their families where vulnerabilities are identified.

15.2 All school staff and governors have completed Prevent training.

15.3 We have in place and monitor appropriate web filtering systems so that students cannot view potentially extreme material.

15.4 Staff understand the need for a culture of vigilance to be present in the Academy to support safeguarding. This includes awareness and sensitivity to changes in the attitudes of students, which may indicate they are at risk of radicalisation.

16. E-Safety

16.1 All staff are aware of the Academy Safe Working Practice, Staff & Students policy on e-safety which sets out our expectations relating to:

    16.1.1 Creating a safer online learning environment,

    16.1.2 Giving everyone the skills, knowledge and understanding to help children stay safe on-line, question the information they are accessing and support the development of critical thinking,

    16.1.3 Inspiring safe and responsible use of mobile technologies, to combat behaviours on-line which may make students vulnerable, including sexting (youth-produced sexual imagery),

    16.1.4 Use of mobile technology both within the Academy and on school trips/ outings

    16.1.5 Use of camera equipment, including smart phones,

    16.1.6 What steps to take if there are concerns and where to go for help,

    16.1.7 Staff use of social media as set out in the **Staff Conduct & Discipline policy**.

16.2 Cyber-bullying by children, via texts, social media and emails, will be treated as seriously as any other type of bullying and will be managed through our anti-bullying procedures. This includes sexting and image exchange under threat or through coercion. All reports of sexting or image exchange are followed up using safeguarding procedures. Parents will be informed and if necessary incidents reported to the police. Appropriate agencies may be approached to provide specific intervention and guidance if necessary.

16.3 Students, staff and parents/carers are supported to understand the risks posed by:

16.4   We have a separate **Mobile Phone Policy** which sets out the acceptable use of mobile technologies by students whilst onsite. This includes sanctions which will be applied when these boundaries are not adhered to.

16.5   Staff use of mobile technology whilst on site is set out in the **Staff Conduct & Discipline policy.**

17. Sexting

Sexting', also referred to as 'youth produced sexual imagery', is one of a number of 'risk-taking' behaviours associated with the use of digital technologies, social media or the internet. It is accepted that children experiment and challenge boundaries and therefore the risks associated with 'online' activity can never be completely eliminated.

17.1   Staff, students and parents/carers are supported, via training, to understand the creation and sharing of sexual imagery, such as photos or videos, of under 18s is illegal. This includes images of students themselves if they are under the age of 18.

17.2   Any youth produced sexual imagery disclosures will follow the normal safeguarding practices and protocols for our school. We will also use the guidelines for responding to incidents, as set out in the publication '[Sexting in Schools and Colleges'](#) produced by the UK Council for Child Internet Safety.

17.3   If the incident meets the threshold it may be necessary to refer to the police in a timely manner; contact will be through a safer schools officer, a PCSO (Police Community Security Officer), local neighbourhood police or by dialling 101. Such a report will result in an Outcome 21 record being generated by the police. We will always endeavour to speak to the parents/carers of the students involved prior to any report being made to the police.

18. Peer-on-Peer Abuse

Chiltern Hills Academy believes that all children have a right to attend school and learn in a safe environment free from harm by both adults and other students. We recognise that some safeguarding concerns can occur via peer on peer abuse.

18.1   All staff operate a zero-tolerance policy to peer on peer abuse and will not pass off incidents as 'banter' or 'just growing up'.

18.2   All staff recognise that peer on peer issues may include, but may not be limited to:

18.2.1   Bullying (including cyber bullying

18.2.6   Sexting as set out in section 17

18.2.7   Initiation type violence and rituals

18.3   The following will be considered when dealing with incidents:

18.3.1   Whether there is a large difference in power between the victim and perpetrator i.e. size, age, ability, perceived social status or vulnerabilities, including SEND, CP/CIN or LAC

18.3.2   Whether the perpetrator has previously tried to harm or intimidate students

18.3.3   Any concerns about the intentions of the alleged perpetrator

18.4   In order to minimise the risk of peer on peer abuse taking place, the Academy must:

18.4.1   Deliver the Life Skills programme to include teaching students about how to keep safe and understanding what acceptable behaviour looks like

18.4.2   Ensure that students know that all members of staff will listen to them if they have concerns and will act upon them

18.4.3   Have systems in place for any student to be able to voice concerns

18.4.4   Develop robust risk assessments if appropriate

18.4.5   Refer to any other relevant policies when dealing with incidents, such as the **Behaviour for Learning Policy** and/or the **Equaltiy & Diversity, (Staff & Students) Policy**

18.5   We recognise that 'Upskirting' involves taking a photograph under an individual's clothing without their knowledge. We understand that it causes the victim distress and humiliation. Staff recognise that 'Upskirting' is a criminal offence and must promptly report any such incidence to the Principal, DSL or most senior member of staff.

19. Cultural Issues

19.1 As a school we are aware of the cultural diversity of the community around us and work sensitively to address the unique culture of our students and their families as they relate to safeguarding and child protection. This includes children at risk of harm from abuse arising from culture, faith and belief on the part of their parent, carer or wider community.

19.2 Staff must report concerns about abuse linked to culture, faith and beliefs in the same way as other safeguarding concerns.

20. So Called 'Honour' Based Violence

20.1 Staff at our school understand there is a legal duty to report known cases of Female Genital Mutilation (FGM) and So Called 'Honour' Based Violence to the police and they will do this with the support of the DSL. [Mandatory reporting of female genital mutilation: procedural information - GOV.UK](#)

20.2 Our school is aware of the need to respond to concerns relating to forced marriage and understand that it is illegal, a form of children abuse and a breach of children's rights. We recognise some students, due to capacity or additional learning needs, may not be able to give an informed consent and this will be dealt with under our child protection processes. Chiltern Hills Academy staff can contact the Forced Marriage Unit if they need advice or information. Contact 020 7008 0151 fmu@fco.gov.uk

20.3 We are aware of the signs of FGM [Female genital mutilation (FGM) | NSPCC](#)

20.4 We recognise both male and female students may be subject to honour-based abuse e.g. where children's cultural background are at odds with their behaviours such as sexuality, under-age sex, relationships, gender identity or life style choices.

20.5 We promote awareness through training and access to resources, ensuring that the signs and indicators are known and recognised by staff.

20.6 Any suspicions or concerns for forced marriage are reported to the DSL who will refer to First Response or the police if emergency action is required.

_____

Contextual Safeguarding is an approach to understanding, and responding to, children's experiences of significant harm beyond their families. It recognises that the different relationships that children form in their neighbourhoods, schools and online can feature violence and abuse. Parents and carers may have little influence over these contexts, and children's experiences of extra-familial abuse can undermine parent/carer-children relationships.

21.1 At Chiltern Hills Academy we recognise that students may encounter safeguarding issues that happen in the wider community and we will respond to such concerns, reporting to the appropriate agencies in order to support and protect the student.

21.2 All staff, and especially the DSLs, will consider the context of incidents that occur outside of school to establish if environmental factors may be putting the student's welfare and safety at risk.

21.3 Children who may be alleged perpetrators will also be supported to understand the impact of contextual issues on their safety and welfare.

21.4 In such cases the individual needs and vulnerabilities of each child will be considered.

22. Serious Violence

22.1 All staff are aware of signs and indicators which may signal that children are at risk from, or are involved with, serious violent crime. These may include increased absence from school, a change in friendships or relationships with older individuals or groups, a significant decline in performance, signs of self-harm or significant change in well-being or signs of assault or unexplained injuries. Staff are aware that unexplained gifts or new possessions could also indicate that children have been approached by, or are involved with, individuals associated with criminal networks or gangs.

22.2 At Chiltern Hills Academy we are aware of the risks to children and will take appropriate measures to manage any situations arising.

23. Use of Photography

23.1 We will often use photographs and film to capture achievements and help promote successes within our school. We like to have a record of all the wonderful activities our students take part in, guidelines for the use of photography in Chiltern Hills Academy is set out in our **Confidentiality Policy**. Photographs of children should not be used without parents/carers permission especially in the press and internet. This is often a cultural issue of which the Academy needs to be aware. At no time should the child's name be used with a photograph so that they can be identified.

Appendix

Everyone who works with children has a duty to safeguard and promote their welfare. They should be aware of the signs and indicators of abuse and know what to do and to whom to speak if they become concerned about a child or if a child discloses to them.

The following is intended as a reference for school staff and parents/carers if they become concerned that a child is suffering or likely to suffer significant harm.

The Children Act 1989 defines abuse as when a child is suffering or is likely to suffer 'significant harm'. Harm means ill treatment or the impairment of health or development. Four categories of abuse are identified:

Categories of Abuse

Child abuse is a form of maltreatment. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children people may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults, or another child or children.

Physical Abuse
A form of abuse which may involve; hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Emotional Abuse
The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meets the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

Sexual Abuse

Involves forcing or enticing a child to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children. The **Brook Sexual Behaviours Traffic Light Tool** can be used as guidance to support professionals in identifying and responding to sexual behaviour in children.

Neglect

The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

a) provide adequate food, clothing and shelter (including exclusion from home or abandonment)
b) protect a child from physical and emotional harm or danger
c) ensure adequate supervision (including the use of inadequate caregivers)
d) ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Exploitation

Exploitation is a form of child abuse and may take a number of forms:

Child Sexual Exploitation

Sexual abuse may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside clothing. It may include non-contact activities, such as involving children in the production of sexual images, forcing children to look at sexual images or watch sexual activities, encouraging children to behave in sexually inappropriate ways or grooming a child in preparation for abuse (including via the internet).

The definition of child sexual exploitation is as follows:
Child sexual exploitation is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual

activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology
CSE Guidance Core Document

We recognise that exploitation includes the trafficking of children and Modern Day Slavery.
Victims of modern slavery – frontline staff guidance

Extremism

Extremism is the vocal or active opposition to our fundamental values, including democracy, the rule of law, individual liberty and the mutual respect and tolerance of different faiths and beliefs. This also includes calling for the death of members of the armed forces. Radicalisation refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.

County Lines

As set out in the Serious Violence Strategy (see link below), published by the Home Office, a term used to describe gangs and organised criminal networks involved in exporting illegal drugs into one or more importing areas within the UK, using dedicated mobile phone lines or other form of 'deal line'. They are likely to exploit children and vulnerable adults to move and store the drugs and money, and they will often use coercion, intimidation, violence (including sexual violence) and weapons.

Child Criminal Exploitation

As set out in the Serious Violence Strategy published by the Home Office, where an individual or group takes advantage of an imbalance of power to coerce, control, manipulate or deceive a child or young person under the age of 18 into any criminal activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial or other advantage of the perpetrator or facilitator and/or (c) through violence or the threat of violence. The victim may have been criminally exploited even if the activity appears consensual. Child criminal exploitation does not always involve physical contact; it can also occur through the use of technology.

Assessment Framework
(from Working Together to Safeguard Children, July 2018)

Every assessment should draw together relevant information gathered from the child and their family and from relevant practitioners including teachers and school staff, early years workers, health practitioners, the police and adult social care.

Every assessment of a child should reflect the unique characteristics of the child within their family and community context.

Each child whose referral has been accepted by children's social care should have their individual needs assessed, including an analysis of the parental capacity to meet those needs, whether they arise from issues within the family or the wider community.

Frequently, more than one child from the same family is referred and siblings within the family should always be considered.
