

THE Y8 NEWSLETTER

Welcome to the first edition of the Year 8 monthly newsletter. This publication will be an opportunity to share and celebrate the successes of students within our year group. We want to share the achievements of our young people, from merit totals, progress makers, attendance to outside of school activities. If you would like to share fantastic news about your child, please email me on sfalcon@chacademy.co.uk and we will endeavour to include these successes.

Thank you to all the students who helped out at the open evening. The parents were full of praise and complimented you on how well you spoke to them and showed them around the academy. It definitely gave the right first impression to the future students. You should be very proud of yourselves, well done!

MERITS

Form with most achievement points so far this term is

ELR

Form with most achievement points for school values is

BMF

CELEBRATIONS

Well done to Tom Woolnough for winning his recent golf tournament

Good luck to Niamh Sheahan in her upcoming British Qualifying skating competition

Well done to the year 8 football team. Even though the result didn't go your way, the year group are very proud of you for representing CHA. Good luck in your next fixture

ATTENDANCE

Form with highest attendance percentage so far this term

SDA

FORM TUTOR NEWS

8SDA have had a fantastic start to the Year both at school and at home. They've been enjoying being part of the larger school now that bubbles have ceased. So many of the form are so talented and are accomplishing many things, both within and outside of school.

Rhys Clarke has been playing a trombone solo for his brass academy and did a recent gig for Amersham Community Brass. We were lucky to have Rhys play piano for us on Teams during lockdown. He was fantastic! Ash is on their way to taking grade 3 drums and Izzy Kent played a role in the film 'Cruella'. Eve Perryman has been invited to be a representative for her dance academy in the show 'Elgiva'.

Sporting achievements include Archie being made Captain for Chesham United and Callum playing football for the Pinnstars.

They are looking forward to new challenges this year!
