

THE Y8 NEWSLETTER

Welcome to the latest edition of the Year 8 monthly newsletter. This publication will be an opportunity to share and celebrate the successes of students within our year group. We want to share the achievements of our young people, from merit totals, progress makers, attendance to outside of school activities. If you would like to share fantastic news about your child, please email me on sfalcon@chacademy.co.uk and we will endeavour to include these successes.

Parents: If you work in a business / industry that could provide the year group with any school trip opportunities, could you let me know via email please. I am keen to provide students with as many opportunities for the future as I can.

CELEBRATIONS

I would like to take this opportunity to praise the students who attended the University trip earlier this month. The students were a credit to the school and demonstrated our CHA values throughout the day. The trip was used to open student's eyes to the world of university, and what university life is like. The students took part in a hands on workshop in the local museum looking at the history of civilization. Even though this part of your life seems a long way off it is good to start thinking about your life path now which will help you when choosing your GCSE options later in this academic year. If you didn't manage to get the opportunity to come on the trip and are interested in university please feel free to come and talk to me / email and I will try to answer any questions you may have.

I am working with the careers department to run a variety of trips throughout the year, this will provide more students opportunities to look at options for further in your school / work career.
