
SIXTH FORM ADMISSIONS FROM SEPTEMBER 2022

PREFACE

Chiltern Hills Academy is a learning environment at the heart of its community. We encourage every person in our community to:

Create, Aspire and Excel to 'Live life in all its fullness' (John 10:10)

We achieve this through our dedication to the seven Christian values of love, hope, self-discipline, compassion, forgiveness, respect and honesty.

We are a community in which staff, students and parents work collaboratively to develop a learning environment and organisation which is spiritual, safe, innovative, creative and exciting. All members of the Academy are motivated and inspired by the vision to give their best and to play a full part in the life of the school and in their own developing lives.

The Governors at Chiltern Hills Academy are committed to achieving the vision and values. They oversee and monitor this policy to ensure that this is being achieved.

The Academy has a distinctive Christian ethos which is at the centre of school life. We provide an inclusive, supportive and caring environment, shaped by Christian values in which children can learn and flourish. We welcome applications from all members of the community without reference to ability or aptitude, and irrespective of whether they are of the Christian faith, another faith or no faith, but we expect parents to respect the Christian ethos of our school.

The governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2014 and all relevant legislation, including that on equal opportunities.

1. SIXTH FORM ADMISSIONS

We aim to offer a range of academic and vocational courses to our Sixth Form students and some of these require minimum grades at GCSE. Our policy is to ensure that students accepted into the Sixth Form can be placed on appropriate courses where they are likely to succeed. For this reason we ask all applicants to attend a meeting with some of our Sixth Form staff to discuss the most suitable course of study.

All students of Year 11 will be informed how to apply for the Sixth Form. We also accept applications from students wishing to transfer from another school. The admissions criteria will apply as long as students attain the relevant entry requirements.

2. ADMISSION NUMBER

Governors have determined that the external admission number for Year 12 of the Sixth Form will be 30. This is the number of places which will be available to applicants who are not currently on the

SIXTH FORM ADMISSIONS FROM SEPTEMBER 2022

school roll. The figure has been determined with regard to the staying-on rate for students already at the Academy and the historical number of places which have been awarded to external applicants. The maximum total planned admission for Year 12 of the Academy Sixth Form is 150 for the year 2022-2023. We might exceed this number if the preferred courses of study are not oversubscribed and the external applicant has met the relevant entry requirements.

3. ENTRY REQUIREMENTS

Internal candidates should apply by the appropriate date stated in the current Sixth Form prospectus.

Entrance to the Sixth Form is on the basis of suitability to undertake the academic or vocational courses being provided. The school will arrange personal discussions with potential students to advise on course availability and suitability and to set down the expectations of embarking on a Sixth Form course of study.

In determining whether a place can be offered, the decision will be based on the academic requirements of the course applied for as set down as follows.

Course Information

Due to ongoing curriculum changes we cannot guarantee that all these courses will run exactly as they are. A few subjects will still offer an external AS exam at the end of Year 12 following on with an external A2 exam after the second year, whilst most will only offer an external A Level exam after two years. We will, however, continue to have internal exams and progress checks to ensure students are on the right track to complete their A Levels.

If a subject has insufficient uptake for September 2022 this course may not run. This will be communicated to students as quickly as possible.

4. APPLICATION PROCESS AND TIMESCALE

An Open Evening for prospective Sixth Form students is held in November or January each year. An application form can be obtained from the school. The closing date for applications is before the Christmas break so that courses can be organised. Students may apply after this deadline however they must be aware that, after this date, the Option blocks for the Sixth Form courses have been established and the subjects that they wish to study may not be available to them.

Offers of places will not be made until the outcome of GCSE results are known on GCSE results day in August. External applicants must advise the school immediately their results are known on GCSE results day and bring evidence of their results on the Sixth Form Enrolment Day in August.

5. RIGHT OF APPEAL

Where a Sixth Form applicant has been refused a place at the school, parents will be advised of their right to appeal against the decision of the Governing Board to an Independent Appeal Panel convened by Oxford Diocese. The right of appeal will apply to students currently attending the school but seeking entry to the Sixth Form and also to external applicants.

6. EQUAL OPPORTUNITIES

In dealing with applications for admission Governors will have full regard to equal opportunities legislation.

7. CONTACT

All initial enquiries about admission to the Sixth Form should be made to Director of Sixth Form.

MONITORING, EVALUATION AND REVIEW

This policy will be reviewed when there are changes in the law or annually to assess implementation and effectiveness. This policy will be promoted and implemented throughout the Academy.
