

Empowering the future workforce

Pinewood Studios has launched a 'Behind the Screen' trainee programme to help people who are out of work take their first step into film and TV.

STEMettes are hosting an Ask, Grow, Network event at Mercedes AMG Petronas F1 HQ aimed at young women and non binary folk.

Applications for Pathway CTM's free Careers Mentorship Service, which offers employability skills training and big brand introductions, are now open.

The upcoming Speakers for Schools workshop will reveal just one of the many career paths open to students with language skills – translation.

Top of the class

Have you heard? A recent study revealed that Buckinghamshire students ranked second in the UK for outstanding GCSE results, with more than 35% achieving Grade Seven or above in core subjects. As a reward, we've curated a particularly stellar crop of Classroom to Careers news, opportunities and advice to help you stay on the path to success. You've got this.

Introducing Confident Futures

We want every young person to experience careers inspiration, no matter what their background or circumstance. On Tuesday 13th June, Confident Futures will connect young people to over 50 disability confident employers and next steps providers.

Cutting edge careers

Whilst it shouldn't take much to convince you that Digital Technology is a growth sector (when was the last time you went a day without your phone?), you might be less aware of just how urgent the UK's demand for tech specialists is. Spoiler alert: 678,000 are needed by 2025!

How to nail exam revision

Since 1986, when GCSEs were introduced, exams have been an inevitable part of every career path, and let's be honest – they aren't anyone's favourite thing to do. However, our six tips on revision planning, approach and practice will help the moment you turn over that first paper seem less daunting.
