

Young Enterprise Winners

Great news - Our Y12 Young Enterprise team has WON 'Company of the Year' at the Chiltern Final Showcase last Wednesday!

Schools competing included Chesham Grammar, Dr Challoner's Grammar and High Schools, Beaconsfield High and Chalfont Community College.

The team will now progress to the Regional Finals at the University of Buckingham on Thursday 25 May.

The team go under the name of Willow Branch. They create sustainable and hand-made gifts made from willow from a local farm, including seasonal trees and wreaths, pens and decorations. They are even "branching out" into using recycled materials such as cricket bats. Please follow their journey on Instagram @willow.branch and check out their website for more details <https://willowbranchchesha.wixsite.com/willow-branch>

Well done to Tom, Tabitha, Zakki, Jackson, Liv, Miranda, Zahra, Vlad and Isabel - we are all so proud of you!

Young Enterprise Company Programme empowers young people to set up and run a student company under the guidance of a business volunteer. Students make all the decisions about their business, from deciding on the company name and managing the company finances to selling to the public. Participants gain practical business experience and learn key skills.
