

Year 10 RISE Workshop with ICAEW

Over the last few weeks, Year 10 have been taking part in the RISE workshops in association with the Talent Foundary and the Institute of Chartered Accountants in England and Wales (ICAEW)

The workshop helped nurture and raise aspirations and encouraged students to develop skills required to succeed in life and work.

It was a fantastic opportunity to build skills through activities linked to the curriculum and the world of work, working with volunteers from the world of finance.

“The RISE workshop last Wednesday was great fun and gave us a view on budgeting, teamwork and finding our skills that a company might want. The people were friendly and engaging”. Archie

“Good atmosphere and enjoyed the workshop, especially developing our skills working in teams and getting prepared for the world of work” Chloe
