

student finance. These sessions helped to demystify what can often feel like a complex and overwhelming process.

Many students returned to school with a clearer sense of direction and renewed motivation. For some, it confirmed their interest in a particular subject or university; for others, it opened up new possibilities they hadn't previously considered.

*"We attended the Oxford Brooke's university fair as a way to explore the different options post Sixth Form. I found it incredibly beneficial to get to talk to representatives from different universities and apprenticeships as I was able to ask questions you wouldn't be able to ask on the website and get the overall vibe of each option. It's also a great opportunity to observe the layout of a university and give you an idea to the size and lifestyle of an average university. I feel so much more confident about my next steps in choosing my path after school and I am very excited for the opportunities ahead."* Beth

*"It was fantastic to see our Year 12s asking insightful questions and really engaging with the exhibitors. The experience has definitely sparked excitement about their next steps after Sixth Form."* Mrs Hemsworth

Events like this play an important role in helping students make informed decisions about their futures. We're proud of how positively Year 12 engaged with the experience, and we look forward to continuing to support them as they explore the exciting possibilities ahead

For any attendees who missed **seminars** the UK University and Apprenticeship Fair have put versions of each on their website [www.studentstream.co.uk/](http://www.studentstream.co.uk/). Please see here: <https://www.studentstream.co.uk/events>
