Introduction

It is the responsibility of the head of centre to ensure that Chiltern Hills Academy has in place for inspection a written conflicts of interest policy that must be reviewed and updated annually. This policy confirms that Chiltern Hills Academy:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

maintains internal records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how Chiltern Hills Academy manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to collect any declaration of interests from all centre staff including invigilators to identify and manage any potential conflicts of interest.

Declaration process

All staff and invigilators are emailed with a request to complete an online form to declare if they have any conflicts of interest for exams. Anyone who responds to this is then asked to complete a paper copy of the Declaration of Interests Form and sign it. The paper records are stored in the Exams Office manual. The process is repeated each academic year.

Managing conflicts of interest

For internal recording purposes, a conflicts of interest log is maintained and any potential conflict declared by centre staff is centrally recorded on the log. The relevant awarding bodies are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative process.

- the records are available where they may be requested by a JCQ Centre Inspector and/or awarding body staff
- the records are retained until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later
- that entering members of centre staff for qualifications at this centre is as a last resort in cases where the member of centre staff is unable to find another centre
- that proper protocols are in place to prevent the member of centre staff having access to examination materials prior to the examination and that other centre staff are briefed on maintaining the integrity and confidentiality of the examination materials
