

## SOCIOLOGY

### Introduction

Well done for considering taking Sociology A Level. We currently study the AQA Sociology specification. Here is a link that will take you to it so you can have an in-depth look at what you will be studying:

<http://www.aqa.org.uk/subjects/sociology/as-and-a-level/sociology-7191-7192>

This pack contains activities and resources to prepare you to start an A Level Sociology in September. Everyone must have this pack printed off and completed for the first lesson. It is aimed that you start this after you get your GCSE results, to ensure you are well prepared to commence in September.

The pack will introduce you to some of the key information needed to succeed in Sociology and topics you will study, such as Sociological approaches and research methods. You will need to complete this booklet in full and have it in your folder at the start of the year.

If you have any problems, please do not hesitate to email me, Mrs S Falcon Curriculum Leader, Sociology - [SFalcon1@chacademy.co.uk](mailto:SFalcon1@chacademy.co.uk)

### Reading list for A Level Sociology

It is expected that you can demonstrate to the examiners that you have been partaking in wider reading. Below is a list of books/journals and websites you could use over the next two years and beyond at university.

#### Textbooks for the course

### Tasks (these must be completed for your first lesson)

#### Task 1: Research into Sociology

Read these instructions carefully. You need to watch the following videos and make notes on the content. You need to watch them in the order given. I strongly suggest you watch each video at least twice. Once just watching it then a second time regularly stopping it to take notes:

1. [https://www.youtube.com/watch?v=YnCJU6PaCio&index=2&list=PL8dPuuaLjXtMJAFB\\_7J1538YKWkZAnGA](https://www.youtube.com/watch?v=YnCJU6PaCio&index=2&list=PL8dPuuaLjXtMJAFB_7J1538YKWkZAnGA)
2. [https://www.youtube.com/watch?v=DbTt\\_ySTjaY&list=PL8dPuuaLjXtMJAFB\\_7J1538YKWkZAnGA&index=3](https://www.youtube.com/watch?v=DbTt_ySTjaY&list=PL8dPuuaLjXtMJAFB_7J1538YKWkZAnGA&index=3)

#### Task 2: Introduction to Research methods

Sociologists use different methods when studying their chosen field. One example is the participant observation, where a researcher joins a group of people and observes their behaviour. Read the

study by Whyte (1955), called "*Street Corner Society*" using the website below and answer the questions which follow:

<https://www.s-cool.co.uk/a-level/sociology/methods/revise-it/an-example-of-participantobservation>

Questions:

- Identify three things that Whyte learned about conducting participant observations
- What are two advantages of using a participant observation?
- Explain two limitations of this method
- Does Participant Observation involve asking questions? Explain your answer with reference to Whyte's study.

### Task 3: Introduction into key studies of Year 1 content

Sociology is a research-based subject. In Year 1 we cover *Education and Families & Households*. For this task you will be researching key studies for these topics:

**Willis:** Learning to Labour. He examined the effects of being placed in lower bands/streams.

<https://revisesociology.com/2016/01/25/learning-tolabour-paul-willis-summary-evaluation-research-methods/>

**Ball:** Looked into the effects of setting and streaming in education.

<https://www.historylearningsite.co.uk/sociology/educationand-sociology/banding-and-streaming/>

**Dobash & Dobash:** looked into domestic violence.

<http://www.brown.uk.com/domesticviolence/dobash.pdf>

[https://prezi.com/qs0g6jv\\_uft2/dobash-doblah-violenceagainst-wives/](https://prezi.com/qs0g6jv_uft2/dobash-doblah-violenceagainst-wives/)

**Delphy & Leonard:** Feminists who wrote about how the family exploits women.

<https://sociologytwynham.com/2013/06/21/feministperspective-of-the-family-radical/>

<https://revisesociology.com/2014/02/10/feministperspectives-family/>

Your task is to research these four Sociologists. There are links to help you initially, but you do not need to just use these. You need to have at least five facts about these studies. Make sure you cover what they did and their findings.

### For your first lesson...

#### We expect you to have the following:

- A level arched folder, labelled with your name on and Sociology (spelt correctly).
- There must be dividers in your folder - plastic ones are better as they are tougher.
- Your own lined paper
- Plenty of plastic wallets.
- A pencil case with the usual but we use a lot of post-it notes and highlighters so have plenty of those.
- A copy of the Year 1 textbook
- Your task homework contained in this booklet.
