

Year 11 GCSE

Year 11 focuses on consolidating and mastering the knowledge and skills developed throughout Years 9 and 10. Students refine their understanding of subject content and develop the confidence to apply their knowledge across a range of examination questions, practical tasks and extended responses. Teaching places a strong emphasis on retrieval, revision, exam technique and the application of learning in unfamiliar contexts, enabling students to think critically, solve problems and make well-supported judgements. Through regular assessment, targeted feedback and independent revision, students strengthen their resilience and readiness for their final examinations, ensuring they are well prepared for the next stage of their education or training.

Subject	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
English (AQA)	Speech Prep/ Mock feedback (3 weeks) Macbeth	Macbeth / Mock Prep	Paper 2 Mock Prep	Final Revision	GCSE Examinations	GCSE Examinations
Maths (Edexcel)	Number & Algebra	Geometry & Measures	Ratio, Probability & Statistics	Mock Examinations	GCSE Revision	GCSE Examinations
Science (AQA)	Biology Topics Chemistry Physics	Chemistry Topics	Physics Topics	Required Practicals & Revision	GCSE Revision	GCSE Examinations
